Dear Sir

**RE: CORPORATE ACCOUNTABILITY PROJECT – REQUEST FOR ACCESS TO INFORMATION**

We refer to your PAIA request dated 21 November 2022, together with your letter of the same date.

You have addressed your request to “AVI Limited (“**Bakers Pty Ltd**”). Please note that there is no such entity as “Bakers Pty Ltd” in the AVI Limited Group of Companies. BAKERS is our biscuit brand owned by National Brands Limited.

In accordance with the PAIA form we have reviewed the request for information contained in paragraph 6 of your letter and note you require information to determine “Bakers Pty Ltd’s role in the egg supply chain for the period 1 November 2018 to November 2022”. Firstly, as advised above, Bakers (Pty) Ltd does not exist. Secondly, our BAKERS brand has no involvement whatsoever in the egg, chicken or poultry industry and none of our assets are deployed in this industry. We therefore have none of the information available that you have requested and are confused as to how you concluded that our BAKERS brand plays a role in the egg supply chain.

We trust this addresses your queries.
