Dear [REDACTED]

Thank you for your email in respect of our PAIA request dated 13 December 2023.

We note your comments regarding our Google forms. We had utilised this format to make the process easier for responders. Therefore, we would like to accommodate any difficulties that may arise. These forms are accessible with the use of a Google account, which we believe can be set up with an existing [institutional account](#) (such as your existing email). However, we understand that there may be administrative difficulties in following this process. In the alternative, we request that you submit the response and requested records in a manner that is suitable and accessible to you, including via email correspondence or an external site where you can upload the documents and provide us with a link. Some examples include Dropbox or WeTransfer.

Please note that the specific documents requested (which mirror those contained in the Google forms) were attached in our initial email and are re-attached hereto as a PDF titled "ALRSA\_PAIA\_List\_of\_Requests".

We hope this clarifies any questions. Please let us know if there are any issues and we will try our best to assist with this process.

Kindly be advised that our offices are currently closed, and we may be slower to respond over the next few weeks during the holiday season.

We look forward to your response by no later than **1 March 2024**, as agreed.

Kindly acknowledge receipt of this email. Thanking you in advance for your time.

Kind regards

[REDACTED]

Good Day [REDACTED]

Whilst working through the document we note that a Gmail account is required to complete the information, kindly note that from a security and data privacy aspect we only use designated KFC email addresses, which end in yum.com.

As such please advise as to how the forms are accessed and completed?

Kind Regards,
