This is to certify that

Situated at

processing plant, has been inspected and found to comply with South African requirements for the export of processed products containing meat, dairy and eggs (ready meals either chilled or frozen and either ready to eat or to be heat treated (cook or bake)), to countries or regions where import requirements can be met.

- 
1. This certificate is not transferable and is issued subject to compliance by the holder with all the stipulations of the State.
  2. The facility must be re-approved on an annual basis. The onus of re-approval rests with the owner of the facility.
  3. Failure of the holder to comply with all requirements indemnifies the state against any claim instituted in accordance with this certificate.
  4. The approval of the facility can be withdrawn at any time, if any shortcomings are detected.
  5. This certificate confirms that the facility complies with the general requirements for the type of facility. In addition, (where applicable) the requirements of the importing country must be complied with for each consignment.
