Attention: 

PROFILE FEEDS (Pty) Ltd QUALITY AND FEED SAFETY SYSTEM

This letter serves as confirmation that Profile Feeds (Pty) Ltd has a feed safety and quality control system in place. Our system covers the basic nutritional values of purchased raw materials as well as the safety of these products. We follow a hygiene program to mitigate the risk of Salmonella and other microbial contaminants. Routine samples are taken to test raw materials, feeds, water, equipment and storage facilities for Salmonella. Raw materials and feed are also tested for mycotoxins, pesticides and heavy metals.

Our procurement policy entails buying from reputable and trusted suppliers.

The accuracy of our ingredient declarations is important and we ensure that it remains credible at all times. Free Range diets are scientifically formulated and may include:

- plant protein products
- oils and fats
- grain and grain by-products
- vitamins and minerals
- enzymes
- pre and probiotics
- genetically modified organisms (GMO's)
- amino acids

The raw materials below are not added to the diets:

- Animal by-products or animal protein sources
- Fishmeal
- Routine antibiotics and Growth promoters

Profile Feeds manufacture feed according to the AFMA code of conduct for the manufacturing of Safe Compound Animal Feedstuffs. Profile Feeds complies with GMP's and all legal requirements as set out by the AFMA code of Conduct.

Annual audits are done by the Department of Agriculture, Forestry and Fisheries (DAFF).

Profile Feeds is committed to deliver safe and quality feed and welcomes any suggestions of how we can improve our system to suit the client's needs.

Please contact us should there be a need for additional information or assistance.

**BROILER PRE STARTER /
BRAAIKUIKENVOORAANVANGS**
Class: Broiler Starter Feed
Klas: Braaikuikenaanvangsvoedsel

Reg Nr: V24128 Act 36/1947

COMPOSITION / SAMESTELLING

Protein / Proteïen	200 g/kg (Min)
Lysine / Lisien	12 g/kg (Min)
Fat / Vet	25 g/kg (Min)
Fibre / Vesel	50 g/kg (Max)
Moisture / Vog	120 g/kg (Max)
Calcium / Kalsium	8 g/kg (Min)
Calcium / Kalsium	12 g/kg (Max)
Phosphorous / Fosfaat	6 g/kg (Min)

MASS 50 kg MASSA

**INGREDIENT STATEMENT
VERKLARING**

This farm feed contains processed grain products, plant protein products, amino acids, minerals and vitamins.

WARNING

This farm feed contains registered stock remedies. Feed strictly according to instructions. See attached labels for further important information

**FEEDING
RECOMMENDATION**

BESTANDEEL

Hierdie veevoedsel bevat geprosesseerde graanprodukte, plant protein produkte,aminosure,minerale and vitamienes

WAARSKUWING

Hierdie veevoedsel bevat geregistreerde veemiddels. Voer streng volgens aanwysings. Sien aangehegte etikette vir vedere belangrike besonderhede
