[REDACTED]

I trust you are well.

We have attempted to reach out to you telephonically to engage with you and find out which question you feel we have not answered. We have been unable to reach you. We summarise below the chain of correspondence between us, and thereafter endeavour to provide clarification.

In response to your email on 21 November, in which you indicated that you had “closed your doors”, we wrote to you on 25 November with evidence that Verde Hotels (Pty) Ltd is still operational, and we requested clarity on the basis upon which you claim the company is dormant, and asked you to provide a CIPC confirmation certificate in respect of the allegation that the company is dormant. You clarified that Hotel Verde (Pty) Ltd is still operational (whereas Verde Hotels (Pty) Ltd had closed its doors), and we therefore sent a subsequent PAIA request and covering letter to Hotel Verde (Pty) Ltd on 2 December 2022. Our covering letter delivered with the PAIA request on 12 December is self-explanatory. Nevertheless, we set out below further clarification.

You will note from our covering letter sent with our PAIA request of 12 December 2022 that some of the information requested would emerge from Hotel Verde’s internal policies regarding animal welfare and environmental matters; records concerning suppliers in the egg supply chain (i.e. which entities supply the relevant ingredients containing eggs or egg by-products to Hotel Verde; as well as Hotel Verde’s own commitments (if any) to utilise eggs in its products only from layer hens not housed in cages. We have also asked for details of assets and stocks, and, in the case of Hotel Verde, these would relate to details of brands produced/sold that include eggs and/or egg by-products as an ingredient. Our request further relates to any records of non-compliance with animal welfare related legislation and regulation as applicable to you.

To the extent that Hotel Verde claims that information is not in its possession, it is incumbent upon Hotel Verde to provide, in terms of s 55 of PAIA, an affidavit detailing the steps taken by you to locate the information, and to clarify precisely which information is not in its possession. We accordingly request access, alternatively the requisite affidavit. We also ask that Hotel Verde confirms, as your response suggests, that you have no responsible sourcing policy in place.

We are happy to provide further clarification, and trust that you will furnish records as requested in our PAIA request in terms of your statutory obligations.

We look forward to receiving your response to our request by no later than **22 March 2023**.

Kindly acknowledge receipt hereof.

Kind regards,  
[REDACTED]

I know, the names can be confusing. Your first mail required documents for Verde Hotels, hence my response.

Dear [REDACTED]

I trust you are well.

Thank you for your response which is much appreciated. We are sorry to hear about your company having to close its doors due to the effects of COVID-19.

Based on our searches, it appears as if the company is still taking bookings. Could you please clarify on what sense the company is dormant and provide the CIPC confirmation certificate to this effect (such as the annual return)?

Kind regards

[REDACTED]

Thank you for the e-mail.

I do not quite understand what information you need from Verde Hotels?  
Just a note - the company, Verde Hotels, is dormant at this point in time and not operating. The effects of COVID was devastating and we had to close the business.

We will try and be as helpful as possible, if you can advise what you need, as we have almost none of the information mentioned in your letter on hand.

We do not complete any statutory documents for this, so if you can explain what information you will gather when we sign your form C, it will be easier for us to understand and agree.

Kind regards
